Working together with european cities and local authorities

Sari Rautio,

Chair of city board of Hämeenlinna

Vice chair of Kuntaliitto

Vice chair of CEMR

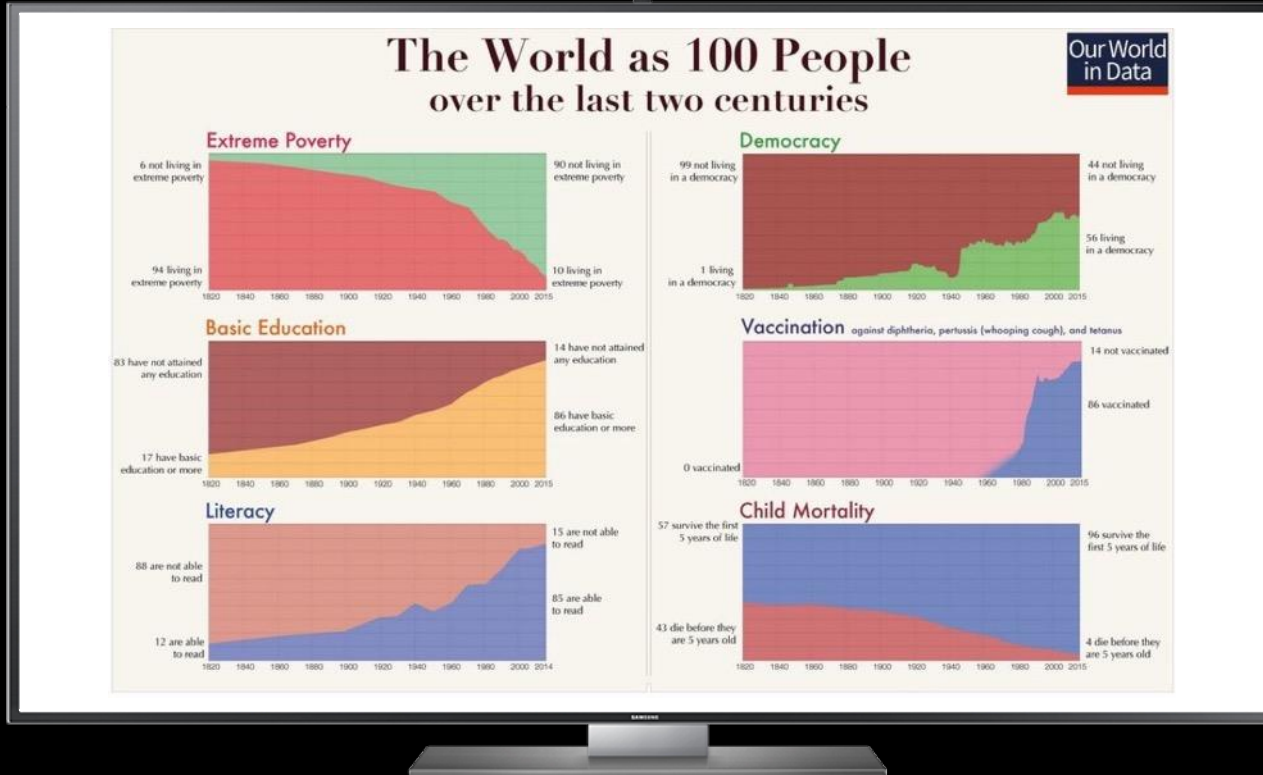

Senior lead, Sitra

Why do we need visions?

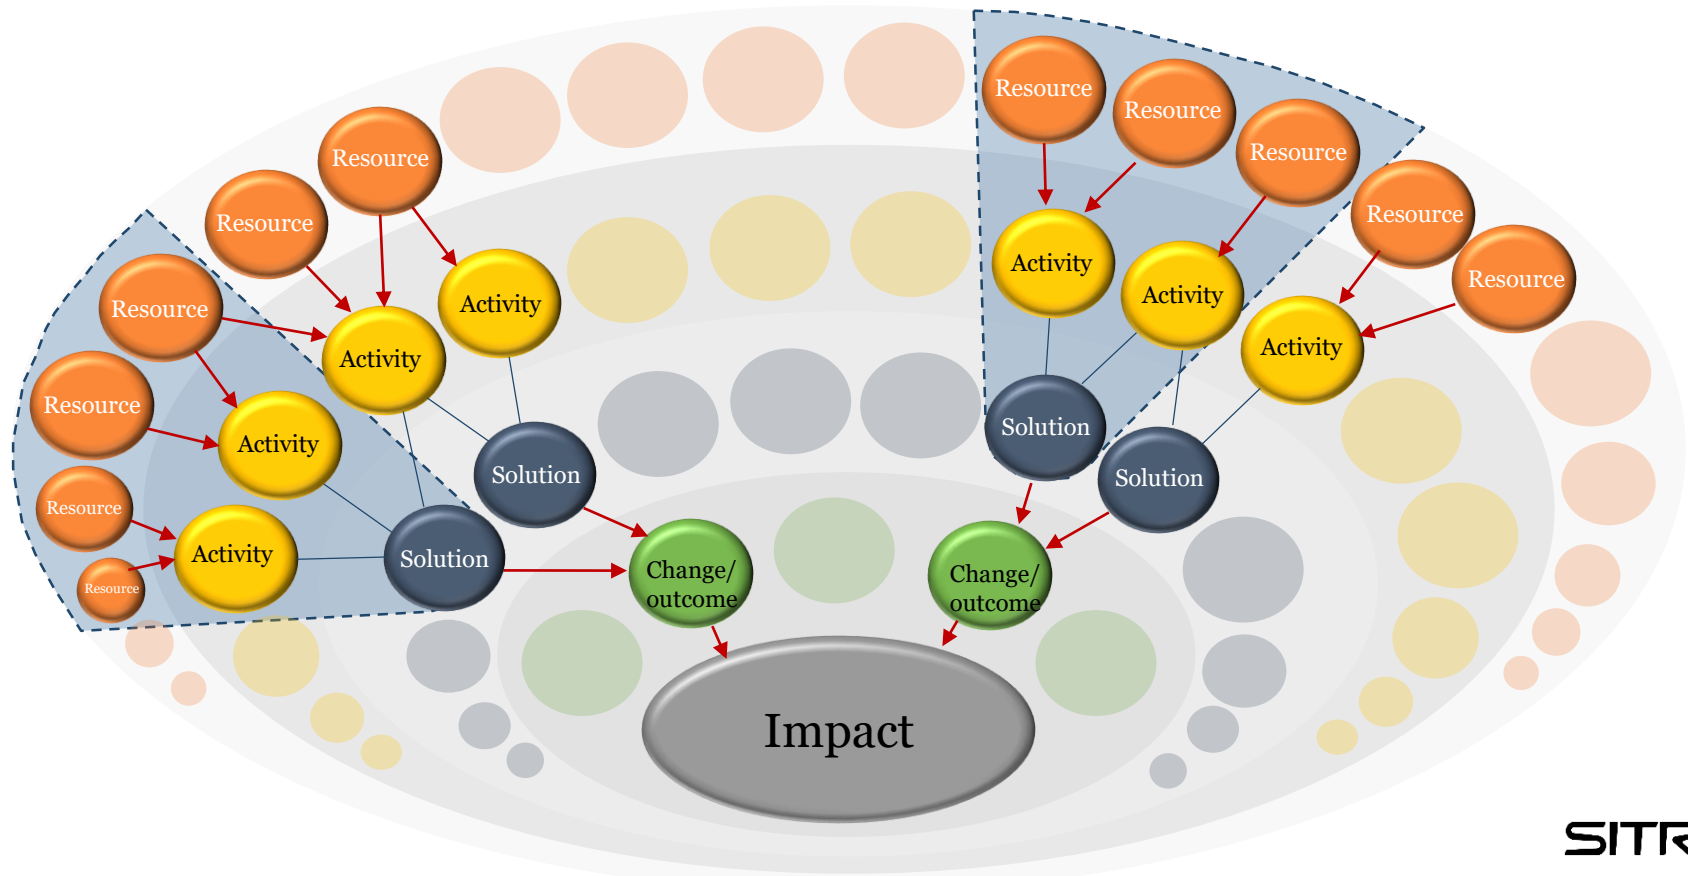

**We live
challenging
times**

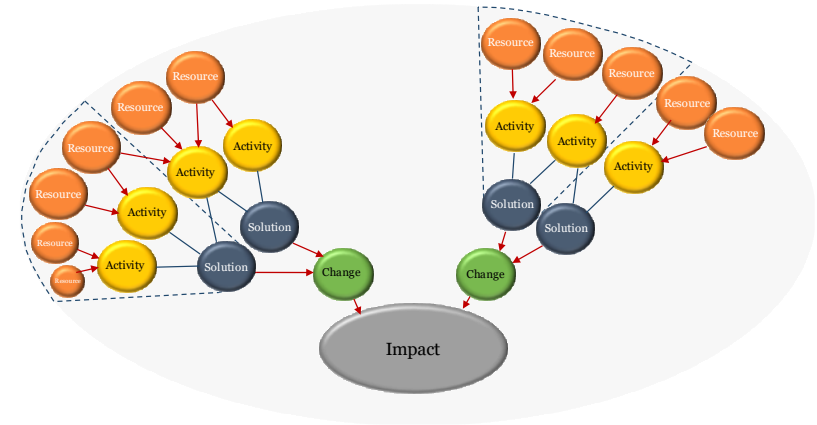

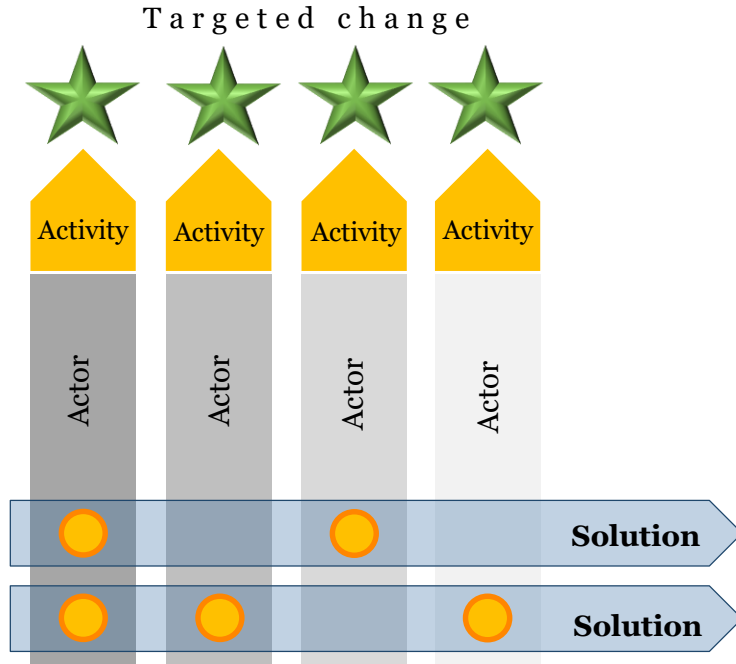

LAST 200 YEARS: THE STORY OF PROGRESS

Impact is created by systemic approach

Co-creation versus cooperation

Co-creation generates solutions that facilitate the direction of actors' resources and activities in order to realise the shared targeted change.

**REAL IMPACT IS BASED ON CO-CREATION AND
COLLABORATION**

SUSTAINABLE DEVELOPMENT GOALS

For discussion

- Possible phenomenon/demands
- What is already at good level?
- What is needed more?
 - Common language and tools!
 - <http://rfsc.eu/>

TOWARDS GREEN, INCLUSIVE AND ATTRACTIVE CITIES

- What is missing?
 - Structures for co-operation?
- Who could be an intermedier?
 - Kuntaliitto and CEMR
- Next practical steps?

**RISE TO
SHINE!**
